Volunteer Form

To all returning PTA members, thank you for your continued support. For those new to district 153, here's an opportunity to become a member of a great organization, The Homewood PTA! As a Homewood PTA member, a portion of your dues supports both the Illinois PTA and the National PTA, the largest child advocacy group in the country.

The remainder of your fees, along with money earned through PTA fundraisers, is used to enrich your child's educational experience in district 153.

Financial support is only a part of what PTA provides. There are lots of opportunities to support our schools through volunteering. We have something for everyone, this is not exclusive to stay-at-home parents.
